

Rose is 23 and comes from Perth, Scotland. She went to Edinburgh Uni for 4 years, but is currently down South studying for a creative writing masters at Oxford Uni. Out of class, Rose works part-time as a museum attendant. She wrote her first story *The Snowman and The Dragon* when she was six (it's a cracker) and has been writing ever since.! Rose has already finished writing her third novel and she is currently looking for representation/publication. This is the first flash fiction competition she has entered.
